Mobile Computing

Essay on Mobile Computing

Dr. Abraham Campbell

University College Dublin

Abey.campbell@ucd.ie

Essay

- The essay is worth 20% of your grade
- The aim is for you to do some research independent of the course curriculum
- Use academic paper search engines
  - http://cn.bing.com/academic/
  - citeseerx.ist.psu.edu/
  - IEEE explore (search baidu)

To find papers

- Once you have the name of a paper you would like to read/reference

- Take the title and put it directly in a search engine like

- https://www.bing.com/

Essay length

- You essay should be at least 2000 words long , with a maximum of 3000 words

- You will need 10 references from academic papers.

- You will be graded on content

- If the content cannot be understood due to poor English then you do not get the marks.
