Graded Assignment – I
17-October-2019

Answer all questions.

Submit all the .html and .css files you created in a zipped folder.

1. Create the following table and save it as "`question1.html`".

A complex table

Invoice #123456789			14 January 2025	
Pay to: Acme Billing Co. 123 Main St. Cityville, NA 12345			Customer: John Smith 321 Willow Way Southeast Northwestershire, MA 54321	
Name / Description	**Qty.**	**@**		**Cost**
Paperclips	1000	0.01		10.00
Staples (box)	100	1.00		100.00
Subtotal				110.00
Tax		8%		8.80
Grand Total				$ 118.80

[4 marks]

Create a css file called "`question1.css`", so that when "`question1.html`" is loaded in Firefox, it looks like the screenshot below
